SUBJECT: Contract HF-8140
Close Out.

Dear Hazel:

As discussed previously, we wish to advise the following relative to the subject contract.

1. There has been no notice or claim of copyright infringement received by the contractor with respect to any material delivered under this contract.
2. Maintenance parts, tools and test equipment were made available to our personnel to perform the maintenance required. The control of this property was administered by representatives of the Government at the local operating site.
3. The attached invoice explains the disposition of the excess progress payments made under this contract. It also is a final invoice on this contract. The credit transfer for excess progress payments from HF-8140 to HF-8141 includes

\$5,241
123

already credited to HF-8141 on P.V. #1 additional credit resulting from further review of transportation costs. Next voucher submitted on HF-8141 will reflect this transfer.

\$5,364

TOTAL

This credit of 123.00 was taken by us from Contractor's P.V. #1.

4. The total travel cost of item 2 is \$535. This travel consists of that shown on attached sheet.
